Iron is red-blood food—it helps

weakened tissues and helps to instill renewed energy and endurance into the whole system. If people would only keep their blood filled with strength giving iron by taking Nuxated Iron when they feel weak, rundown and nervous, they might readily build up their red-blood corpuscles and quickly become stronger and healthier in every way. Unlike the older morganic products it is easily assimilated, does not injure the teeth, make them black nor upset the stomach. Nuxated Iron often increases the strength and endurance

of weak, delicate people in two weeks 'time. It is dispensed by

See what Mr. J. L. Agnew, of Mt. Vernon, Ohio, says of what ing and forcing out of the blood S. S. S. did for his rheumatism:

"For ten years I was badly afflicted with Rheumatism, the pains in my knees, legs and ankles being almost unbearable. I tried various remedies without results, until a physician advised me to use S. S. S., stating that the disease was in the blood. After taking a few bottles the pains and soreness were greatly lessened. I continued this medicine, until all pain, soreness and inflammation were gone, and I was completely cured." J. J. AGNEW,
